

Campus Jobs Opportunities - How to Register

If you are interested in undertaking work for Campus Jobs or have already applied for a vacancy, you must register your details following the process outlined below.

Please note the process outlined above is for registering your details only. You must still apply for individual vacancies through the Campus Jobs Dashboard (<http://portal.solent.ac.uk/careers/jobs-dashboard/campus-jobs-full-listing.aspx>).

The above process must be followed and all documents must be provided to Payroll before you can be paid for any work that you undertake. NB Students at Warsash can take their documents to Anne Brown, HR Administrator, CG019.

If you have any queries regarding the registration or application process please contact Payroll Ext 3315 or email Payroll@solent.ac.uk
