## **FEE AND PAYMENT REGULATIONS Home, EU and Island students - 2017-18**

1. The tuition fee and all other fees quoted are the level of fees to be charged in relation to the delivery of your course for 2017-2018. The University reserves the right to vary tuition fees in line with national inflation rates and subject to Government Policy on Higher Education. For other fees changes will be kept to a minimum, subject to changes in the cost of the provision to the University. Fees payable to external bodies are not set by the University and as such beyond our control, resulting in any changes being passed to the student. Students will be notified of any planned changes as soon as possible. As the tuition fee is based on the information available at the time of offer, if it is subsequently found that an incorrect fee has been quoted, the University reserves the right to increase or decrease the fee accordingly. All discounts, scholarships and fee reductions are applicable for the first year and subject to review and change thereafter.
