FEE AND PAYMENT REGULATIONS Overseas students - 2017-18

1. The tuition fee and all other fees quoted are the level of fees to be charged in relation to the delivery of your course for 2017-2018. The University reserves the right to vary tuition fees in line with national inflation rates and subject to Government Policy on Higher Education. For other fees changes will be kept to a minimum, subject to changes in the cost of the provision to the University. Fees payable to external bodies are not set by the University and as such beyond our control, resulting in any changes being passed to the student. Students will be notified of any planned changes as soon as possible. As the tuition fee is based on the information available at the time of offer, if it is subsequently found that an incorrect fee has been quoted, the University reserves the right to increase or decrease the fee accordingly. All discounts, scholarships and fee reductions are applicable for the first year and subject to review and change thereafter.
2. The guidance in this booklet is for Overseas students for the academic year 2017-18 with effect from **1 August 2017**. For guidance relating to Warsash Maritime Academy and UK/EU, EEA and Channel Island students, please refer to the specific relevant fee and payment regulations booklet. 3. Non-repeating Overseas students undertaking fewer than **100** credits in an academic year are subject to the part-time fee for the course. Overseas students undertaking more than **100** credits in an academic year will incur the full-time overseas fees as specified in the fees tables. These arrangements also apply, pro rata, to postgraduate courses.
4. **Overseas students are subject to visa restrictions when studying part-time. Please see the glossary for a definition of full time study.**
5. For the purpose of calculating fees, an Overseas student is **normally** one whose permanent address is outside of the UK/EU, Channel Islands or Isle of Man, and who is **ordinarily resident outside** the UK/EU throughout the three-year period preceding the start of the course.
6. For further information, please refer to the 'UKCISA Guidance Note for Students', available at: UK Council for International Student Affairs website: <http://www.ukcisa.org.uk/information--Advice/fees-and-Money/England-fee-status#RL> or telephone: outside the UK: +44 (0)20 7788 9214; inside the UK: 020 7788 9214

Students withdrawn for non-payment of tuition fees will remain liable for a proportional payment of tuition fees in line with the University's withdrawal policy (see the Withdrawals and Suspension section).
63. The application of sanctions may result in the following restrictions:

We recognise students in this category from current partners who exceed their allocation of exchange places, and direct students where we have no partnership arrangement. For this later group, it will be the students' responsibility to ensure credit transfer back to their home institution is approved in advance. Visiting/Study Abroad students may apply to study for one period or one academic year at Solent. Undergraduate students will be charged £4,500 per teaching period for a maximum of 60 credits.
