FEE AND PAYMENT REGULATIONS Overseas students - 2018-19

1. The tuition fee and all other fees quoted are the level of fees to be charged in relation to the delivery of your course for 2018-2019. The University reserves the right to vary tuition fees in line with national inflation rates and subject to Government Policy on Higher Education. For other fees changes will be kept to a minimum, subject to changes in the cost of the provision to the University. Fees payable to external bodies are not set by the University and as such beyond our control, resulting in any changes being passed to the student. Students will be notified of any planned changes as soon as possible. As the tuition fee is based on the information available at the time of offer, if it is subsequently found that an incorrect fee has been quoted, the University reserves the right to increase or decrease the fee accordingly. All discounts, scholarships and fee reductions are applicable for the first year and subject to review and change thereafter.
2. The guidance in this booklet is for Overseas students for the academic year 2018-19 with effect from **1 August 2018**. No fee may be reduced except on the express authority of the Director of Finance, unless the student is eligible for one of the fee reduction schemes described in this booklet. No fee may be reduced under more than one scheme.
3. The guidance in this booklet is only applicable to Accredited Courses and is not applicable to Professional Development (non-credit bearing) courses. For further fees guidance on these courses please refer to the relevant terms and conditions.
4. Non-repeating Overseas students undertaking fewer than **100** credits in an academic year are subject to the part-time fee for the course. Overseas students undertaking more than **100** credits in an academic year will incur the full-time overseas fees as specified in the fees tables. These arrangements also apply, pro rata, to postgraduate courses.
5. **Overseas students are subject to visa restrictions when studying part-time. Please see the glossary for a definition of full time study.**
6. For the purpose of calculating fees, an Overseas student is **normally** one whose permanent address is outside of the UK/EU, Channel Islands or Isle of Man, and who is **ordinarily resident outside** the UK/EU throughout the three-year period preceding the start of the course.
7. For further information, please refer to the 'UKCISA Guidance Note for Students', available at: UK Council for International Student Affairs website: <http://www.ukcisa.org.uk/information--Advice/fees-and-Money/England-fee-status#RL> or telephone: outside the UK: +44 (0)20 7788 9214; inside the UK: 020 7788 9214
8. Unless otherwise indicated, all fees are for the 2018-19 academic year and relate to the University's normal programme of award-bearing courses. The fees for overseas undergraduate students commencing their studies in 2018/19 are as below:
 - i. First degree **£12,500**
 - ii. Foundation year **£11,000**
9. The full-time Overseas undergraduate fee for students who commenced their studies before 2012/13 has been confirmed at **£10,825** and for students who commenced their studies after 2012/13 and before 2018/19 is **£11,550**.

FEE AND PAYMENT REGULATIONS Overseas students - 2018-19

Incoming Exchange Students

12. Applications for acceptance as a non-fee paying incoming exchange student, whether under the Erasmus Programme or from partner institutions elsewhere, are only considered from those students who are enrolled and studying at universities with which Solent University has a valid, signed inter-institutional agreement in place. An official nomination from the home University must accompany the application. Where an agreement has been reached that a student may extend their studies into a subsequent period, the student may be required to pay the requisite period fee should an extension exceed the number of exchanges covered by the inter-institutional agreement.
13. Exchange students must enrol as students of Solent University for the duration of their studies in Southampton. For further information contact the University by email: international.exchanges@solent.ac.uk or by telephone: +44 (0)23 8201 3529.
14. If fees are not being met through an International Programme or an approved inter-Institutional scheme the exchange student remains liable for these fees.

Outgoing Exchange Students

15. Students of Solent University who spend a period of time abroad as part of their course, through an International Programme or an approved inter-Institutional Exchange scheme, are required to enrol as students of, and pay the appropriate fees to, Solent University. All previous tuition fees owed to the University must have been **paid in full** before the year abroad can be confirmed.
16. Outgoing Overseas students who study abroad for one academic year will pay 15% of their normal annual tuition fees to Solent University.
17. Students who study abroad for one teaching period are required to pay the full annual tuition fee.

Visiting Students/Study Abroad

18. Visiting/Study Abroad students are defined as those students registered to study for credit (and not an award), and who will transfer this credit back to their home institution. We recognise students in this category from current partners who exceed their allocation of exchange places, and direct students where we have no partnership arrangement. For this later group, it will be the students' responsibility to ensure credit transfer back to their home institution is approved in advance.
19. Solent University does not accept Freemovers on a nil fees basis.
20. Visiting/Study Abroad students may apply to study for one period or one academic year at Solent. Undergraduate incoming study abroad students who are not covered by an exchange agreement within the Erasmus + scheme and who will study at SSU before returning to their home country to continue their degree will be charged a fee of £9,000 for a whole academic year and £4,500 for one teaching period (maximum 60 credits).
21. Students are personally responsible for all their fees. These include course fees, accommodation fees and any other charges as appropriate. Postgraduate students will be charged a pro-rata fee, based on the units selected to study and up to a maximum 60 credits per teaching period.

grounds. Please refer to the Withdrawals and Suspension section for further details regarding withdrawals.

43. Students are personally responsible for all their fees. These include course fees, accommodation fees and any other course related charges.
44. Students remain liable in the case where they are in receipt of a student loan, and where a sponsor or other third party is paying the fees. Students remain responsible for all course fees if their sponsor defaults on the payment, for whatever reason.
45. While advance payments will be accepted by the University, this does not guarantee a place on a University course.
46. To be assured of a place on the course, all students on maritime senior courses wishing to reserve a place will, at the time of booking, be required to make a deposit payment of £1000 or to make full payment if the course fee is a lesser amount. Students who fail to commence their course will be eligible to transfer their deposit to the same course of study running at a later date, which is within 24 months of the commencement date for the original course booking.
47. To secure a visa under Tier 4 of the UK immigration system, non-EEA (Overseas) students are expected to have sufficient funds to meet the cost of their course fees and living expenses and those of any accompanying family members for their duration of their course, without working and without claiming state benefit.
48. In order to support the applicant in evidencing their financial position and their standing as a genuine Tier 4 applicant, the University will require all self-funded new applicants and returning students from non-EEA countries to pay a deposit of £3000 or the full tuition fee where the tuition fee is £3000 or less, before a Certificate of Acceptance for Studies (CAS) is forwarded to the applicant for visa purposes. UK Visas and Immigration will specify its financial expectations in this regard. For further details please visit <https://www.gov.uk/tier-4-general-visa>.
49. Overseas applicants/students booked on a course of study who are subsequently refused a visa due to deception will not receive a refund. In all other cases the deposit will be refunded where an applicant/student provides evidence that a visa could not be obtained or when a CAS has not been issued by the University. Any other non-refundable deposits or prepayments which the student is liable for will be deducted from the amount refunded. In addition, where students have made payment through QA Higher Education, the deposit paid will be refunded by QA Higher Education less an administration charge of £150 if all other terms and conditions are met.
50. Full details are available on request from the Student Hub (please see the Course and Fee enquiries section for contact details).
51. Students are required to pay 50% of their annual tuition fee prior to registration. Access to certain administrative services (e.g. council tax exemption certificates) will be withheld until payment has been made.
52. All tuition fees are due annually, in full, at or prior to the commencement of a period of study.
53. For students on courses less than one year's duration, including students on maritime senior courses, payment must be paid in full prior to registration on their course.

FEE AND PAYMENT REGULATIONS Overseas students - 2018-19

54. For students on courses of at least one year's duration, including cadets on phased courses, arrangements may be made for payment of the annual tuition fee in instalments, either through standard instalment plans offered during on-line registration or by contacting the Income team on +44 (0)23 8201 3970 or e-mail income.team@solent.ac.uk. Alternatively, enquiries may be made in person at the Income Team Counter at the Student Hub (RM050).
55. Students must have a payment plan for any unpaid course fees with a defined method of payment in place with the University prior to registration on their course.
56. Failure to pay tuition fees in accordance with the student's chosen payment option will result in the full amount of their annual fee becoming due immediately.
57. Students embarking on a Placement or sea phase (whether for work or study) **must** ensure they have paid any debt from the previous year, as well as paying any fees due for the current year before commencing their placement, otherwise the sanctions set out in the Recovery of all Student Debt section may apply.

Students bringing a large amount of cash onto the University campus, will be doing so at their own risk, and the University will not accept any liability for any loss they may suffer as a result.
63. The University does not accept cheque payments or bankers drafts.

Company/Organisational Sponsors

69. If no acceptable proof of sponsorship is submitted, students will be required to personally pay fees.
70. Where an external sponsor has been invoiced, payment of fees is normally due within 30 days of the invoice date.
71. In addition, failure of an external sponsor to pay the fees in a timely manner may lead to University sanctions being applied to the student account. In addition the sponsor invoice will be credited and the fees placed back onto the student's account. This will also affect future sponsorship applications received by the University from the sponsor concerned.
72. The University reserves the right to review and either accept or reject all offers of sponsorship at its discretion. Where the University deems it appropriate, payment may be required up front as a condition of accepting an offer of sponsorship.
73. Please see the Company/Organisational Debtor Policy for further details on <https://portal.solent.ac.uk/support/finance/student-fees-and-finance/late-payments.aspx>

In support of this programme, Solent University has offered to provide up to one new full fee waiver per year for any Syrian National with refugee status (per year of entry).

115. Solent University also offer a number of other scholarships to students. For further information go to: <https://www.solent.ac.uk/finance/grants-bursaries-scholarships/scholarships>

116. You are only eligible for one fee discount, bursary or scholarship in any single year. For the calculation of discounts and scholarships where a student suspends or withdraws from a course please refer to the Withdrawals and Suspension section.

Corporate Discounts

117. Corporate discounts may be negotiated by sponsoring organisations, but are subject to approval only by the Director of Finance. Corporate discounts are not available to self-funded students.

Withdrawals and Suspension

118. Students wishing to withdraw from a course should first discuss the matter with their Course Leader or Head of Subject. Students can also contact a student funding advisor through the Student Hub to discuss the funding implications of withdrawing. Non-EEA students can also contact an International Adviser in the Student Information Centre to discuss the implications on their Tier 4 General Student visa if they withdraw or suspend from the course.

119. A student withdrawing from a course must inform the Student Hub in writing as soon as the decision to withdraw has been made. Students who do not comply with this requirement will remain liable for fees.

120. Students withdrawing from a course of study remain liable for the full fee except as provided below:

- i. Once a student has accepted an offer to study at Solent University (firm or insurance), they will be able to cancel their acceptance within 14 days without giving any reason. The cancellation period will expire after 14 days from the date on which you accepted the

offer, which is the date on which your contract with the University began. To exercise your right to cancel, you must inform us of your decision to cancel this contract by a clear written statement, which may be sent by post or email. An example cancellation form can be found at: <https://www.solent.ac.uk/about/our-policies-and-legal-information/terms-conditions-undergraduate-and-postgraduate-courses/notice-of-right-to-cancel>

- ii. All students who withdraw before the start of their course or unit may be eligible for a full refund of any tuition fees paid, providing that prior to the commencement of the course, written notification of withdrawal has been received by the University. Any deposits or regulatory prepayments paid prior to registration will not be refunded.
- iii. Students attending a course lasting an academic year or more, who withdraw will be charged as detailed below. Application of a withdrawal fee commences from the first week of teaching.
 - a) Students leaving with 14 days of their course start date will not receive a refund of any deposits or regulatory prepayments prior to registration unless exceptional circumstances apply but the university will refund any other tuition fees that the student has paid.
 - b) In the event of a student leaving before the start of the second term 50% of the annual tuition fees will be credited. This is dependent upon written notification of withdrawal being received by the University prior to the commencement of the second term.
 - c) In the event of a student leaving after the start of the second term they will be liable for the full annual tuition fees.
 - d) Where a student engaged in a postgraduate research programme withdraws or suspends, the fee will be calculated pro rata on a monthly basis based on the annual fee.
- iv. Where a student engaged in a maritime phased course leaves within 21 days of their course start date they will be eligible for a refund of any fees paid less any deposit payment where written notification of withdrawal has been received by the University. Students who leave after 21 days will be liable for the full phase fee.
- v. Students not registered on a term based course should contact the Student Hub for details (Course and Fee Enquiries section).
- vi. Students attending a course lasting **less than a year** remain liable for the full fee regardless of date of withdrawal.
- vii. A suspension is regarded as a temporary break in study, the intention being to return to study the following academic year. Tuition fees charged at the time of suspension are calculated in line with the withdrawal charges (Withdrawals and Suspension section). Resumption back onto the same programme of study will result in tuition fees being calculated on a pro-rata basis. Return to an alternative course (subject to approval) would result in the total tuition fee being charged for that year of study.
- viii. Term dates for the academic year 2018-19 are available at <http://portal.solent.ac.uk/documents/academic-services/student/academic-calendar-2018-19.pdf?t=1506608445849>

This must be agreed in writing by the Director of Research, Innovation and Enterprise before the commencement of the academic year in which they propose to enter the 'writing up' phase, and should not exceed the period allowable under the terms of their degree registration.
125. If a student subsequently fails to submit by the end of their 'writing up' period and wishes to continue their registration and submit later, and this does not exceed the period allowable under the terms of their degree registration, they are liable for the **full annual tuition fee** but will be eligible to receive a refund if they submit before the end of the academic year.
126. Students who pay full fees in their final year and submit their thesis during that year will be eligible for a pro rata refund, calculated from the month following the month of submission.
127. The annual major amendments fee for PGR students is £3,250 full time study and £1,625 for part time study. Both full time and part time research students will be eligible to receive a pro rata refund if they submit before the end of the 12 month period.
