

REGISTER OF INTERESTS

1. The Register of Governors' interests is held in the Clerk's Office.
2. There is also a Register of Senior Managers' interests. Consistent with the latest guidance contained in the Committee of University Chairmen publication entitled *Guide for Members of Higher Education Governing Bodies in the UK*, this contains a declaration of interests by the Clerk to the Governors and the Director of Finance. This Register is similarly held in the Clerk's Office.
3. Both Registers are updated annually on the basis of the attached pro-forma sent to individual Governors [Annex A] and that completed by the Clerk to the Governors and the Director of Finance [Annex B].
